If you have any questions, you can e-mail us at [wilhelmina.otero@sjcacavaliers.com](mailto:wilhelmina.otero@sjcacavaliers.com) or [teachpf@yahoo.com](mailto:teachpf@yahoo.com)  
Thanks for your support. Looking forward to a great school year!

Summer Assignments for Second Grade – Mrs. Otero & Mrs. Ferguson

Read 3 chapter books:

Magic Tree House Afternoon on the Amazon

Junie B. Jones is not a Crook

Chapter book of your choice

Answer questions about each book (see attached).

Summer Journal:

Get a spiral notebook, composition book or attach some pieces of notebook paper together to make a notebook. Once a week, write a paragraph of 3 to 5 sentences about something you did that week. Write about what you did, why it was fun or not, who you were with, and where it took place. Use details. Use complete sentences with capital letters and correct punctuation. Please include the date on the top right hand side of your paper. Spell as best as you can. Use your best handwriting. Do your best!

Bring the summer journal and the questions about each book back to school with you by Friday, August 14, 2009. You will receive an extra 100 in the grade book for completing the questions and completing the journal. We will be talking about the books and doing activities that are related to them when you return. We will also have a test on two of the books.

Math – Practice addition and subtraction facts up to 12.

NOTE to PARENTS: Next year, in second grade, your child will have graded addition timed tests of 100 problems so it is real important that they study and know their addition facts really well. Some websites that have timed addition tests are :

[www.tlsbooks.com](http://www.tlsbooks.com) – just go to first grade math to start and then progress to second grade math

[www.playkidsgames.com](http://www.playkidsgames.com)

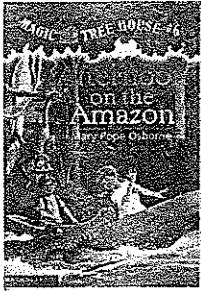

[www.harcourtschool.com/activity/thats a fact/english 4 6.html](http://www.harcourtschool.com/activity/thats_a_fact/english_4_6.html)

[www.mathfactcafe.com](http://www.mathfactcafe.com)

Looking forward to seeing you next year. Have a great summer and Read! Read! Read!  
and study your math facts! ☺ ☺ ☺
