

**Student Travel:**

A bus to transport students to and from school activities and contests will be provided whenever feasible. The bus shall be operated by a properly licensed driver and at least one school representative shall serve as a chaperone. Private vehicles may be used to transport students to and from activities and contests, provided the affected students' have submitted a signed travel release form to the sponsor or head coach prior to departure. Parents and /or guardians must verbally notify the sponsor or head coach prior to transporting their children to or from activities and contests. The sponsor or head coach shall be responsible for maintaining a current student travel file.
